WORK EXPERIENCE

INTERNSHIP TRAINING

- I undergone a internship training on ABCV & Associates (auditor office) as a intern for 15 days.
- I undergone a internship training on in the field of manufacture and production process as a trainee.

CONFERENCE

- I participated in one day International Conference on “Business Modelling with Nextgen Tools Driving Innovation and Strategic Decision Making
- I have participated in National level conference on Innovative Interdisciplinary Research for Sustainable Development and presented The Courage to Venture: Insight into the lives and Experience of First-Generation Women Entrepreneurs

PROJECTS

Marketing related project

- The topic of this project is “ A study on a Problem faced by a wholesalers due to online purchase system by customer” .
- By working in this project I got a great understanding about how to impress a customer, how to analyze their actual needs etc.
- Finally I conclude that to attract a customer than the online purchase we have to promote well and provide additional benefits to them.

Entrepreneurial Development related project

- The topic of this project is “ A study on the Problems faced by the Women Entrepreneurs”.
- By working in this project I learnt the women can Also do anything better than others and it inspires me.
- And I concluded that problems are temporary until we find a way to solve it.
